1. The transfer student admission assessment date is (5/11/2024). Transfer students must be born before 2019/01/01 and have a foundation of learning Chinese. All transfer students must come to the school in person to take the assessment test. Due to limited availability, no registration will be given on the day. Where there are seats available, students with the best test results will be considered to enroll. You will be notified by phone within three days. Only those notified by phone can return to the school on 05/18/2024 to register.

2. The number of transfer students is limited. Please see the following classes with vacancies. We only accept test takers at school between 9:15 and 10:15. The test scope includes listening, speaking, reading and writing tests.
